About The Event

This annual event brings community members together on Sunday, Feb. 7, 2027, at the West Chester Golf & CC for friendly competition and meaningful impact. Each year, over 100 attendees join us, supported by 10,000+ social media impressions that amplify the event's reach across our community.

All proceeds directly support our counseling programs.

Our Mission

Provide life-changing individual and family support by removing barriers and providing access to counseling, case management, youth services, and family programs.

Family Service helps people overcome mental health challenges, providing real-life support at no cost to the clients.
