

2021 Pinwheel Garden Campaign Growing a Better Tomorrow for All Children

All children deserve a great childhood!

In an effort to celebrate children and their right to grow, learn and play in safe, loving and nurturing environments, April is Child Abuse Prevention Month. The Exchange Club Family Center (ECFC) wants to raise awareness by honoring Chester County's children with pinwheel gardens throughout the month.

Why Pinwheel Gardens?

In 2008, Prevent Child Abuse America introduced the pinwheel as the new national symbol for child abuse prevention through the annual Pinwheels for Prevention® campaign. By its very nature, the pinwheel represents whimsy and childlike notions. In essence, it has come to serve as the physical embodiment, or reminder, of the great childhoods we want for all children. Additionally, 1000 Pinwheels fluttering in the Chester County breeze are an eye-catching way to emphasize how important and precious our children are.
